Evangelical Lutheran Church in America

# We Invite You to Share Your Mission Support Plan for 2024.

As you discuss your General Mission Support commitment for the coming year, please consider how your offerings reflect your calling and build up the body of Christ. As a church together, we can have a greater impact in your community and beyond. Through your generous Mission Support, we can share God’s abundant grace with others by raising up new pastors and deacons, offering educational and training opportunities, and providing support for congregations through resources and conversation partners.

General Mission Support\* is the portion of regular offerings that your congregation shares with your synod that are not otherwise designated for specific ministries in the synod or the ELCA. Almost half of your undesignated Mission Support is passed along from your synod to Churchwide Ministries as we increase our impact in the world. For more about how Northeastern Ohio Synod is stewarding your gifts, please visit [neos-elca.org/our-stories](https://neos-elca.org/our-stories).
