Holy Trinity’s Phased Approach to Re-Opening
Preparing to Gather Again

Suspending in-person activities for Holy Trinity was a difficult decision. It was followed by the challenging process of keeping the congregation connected, cared for, and able in some way to carry out its mission. Preparing to safely gather again may be an even greater challenge.

Why is this so difficult? Churches are a higher risk environment than most other businesses and organizations because of the nature of our congregational gatherings…close proximity, physical touch and engagement, singing/speaking that puts respiratory droplets in the air, limited ventilation in our building, duration of contact greater than 30 minutes, older demographics. All of these make church buildings and normal congregational activities a challenge to safe public health in a time of pandemic.

What we propose is a phased approach that draws on resources from the Ohio Department of Health, the Centers for Disease Control and Prevention, and other public health experts in order to gradually and deliberately move from our current near shutdown to full public worship as our tradition and heritage understands it.

This plan is a starting point. It must be reviewed and updated on an on-going basis, and as such, is subject to change, even to the point of closing again, should a change in the public health situation demand it.

Jesus commands that we love one another. In this case, that love must be enough to embrace necessary changes to our patterns and habits as we confront the moral and theological obligation to safeguard the health of those whom we serve and with whom we will gather.

Defining the Phases - Our resource for establishing the threshold for movement from phase to phase is the National Coronavirus Response: A Road Map to Reopening (American Enterprise Institute/AEI), as recommended by the ELCA. Data needed to establish criteria for movement from phase to phase is drawn from Ohio Department of Health (ODH) statistics, Summit County Public Health (SCPH), and the Institute for Health Metrics and Evaluation (IHME).
Phase One: Slow the Spread

This is our current circumstance. Throughout this phase we will continue to observe strict physical distancing, use of masks in public areas, postponement/cancellation of mass gatherings, stay-at-home orders, and an emphasis on cleaning and sanitizing to reduce community spread. Our congregational activities during Phase One are reflected in the most recent Ministry Plan (May 3, 2020). This plan will continue until we move to Phase Two.

The AEI report indicates that it is safe to proceed to Phase Two when a state or other health district has achieved:

- A sustained reduction in cases for at least 14 days,
- Hospital capacity allows for treatment of all patients without resorting to crisis standards of care,
- State/district wide testing is available to all with Covid-19 symptoms, and
- The state/district is able to actively monitor all cases and their contacts.

Phase Two: Gradual Re-Opening

A date for safe movement to Phase Two depends on data for the above, both actual reports and projections. The daily case count for Summit County is trending down as of the date of this writing (5/13), but has not done so for a long enough period as to be statistically reliable. Ohio-specific information from IHME suggests that it may be as early as June 4 and as late as July 1 before the two-week reduction in cases criterion is met. Hospital and testing capacities are also expected to be achieved during this same time period.

So, it is proposed: that in-person worship be resumed on Sunday, June 28, with one liturgy at 9:30am under the following conditions:

- Livestream worship continues for those who are in at-risk populations or who wish to continue to avoid large gatherings. (Note: Those attending in person may be seen on the broadcast. Signage at the entry door will indicate this.)

- Anyone with cold, allergy, or flu-like symptoms or anyone with a temperature of 100 degrees or more should stay home and seek appropriate medical care. Temperatures will be taken at the entry door. Anyone with a temperature of 100 degrees or more will not be admitted.

- Those who gather will observe 6’ physical distancing upon entry, exit, and in seating.

  - Entry to the building will be by the north narthex door only. An usher in the parking lot will direct participants to this entrance. The door will be kept open (weather permitting) to reduce surface contact and increase ventilation.

  NOTE: There will be a sign-in sheet at the entrance; each family is asked to sign-in. In the event someone who attends in-person worship tests positive, we are prepared to assist the local health authorities with contract tracing.
• Seating will be guided by ushers on a first-come, first-served basis beginning from the front of the nave. Family groups from the same household may be seated together.

• Dismissal after worship will be guided row-by-row by the ushers through the door into the office lobby. Congregants are asked to immediately exit through the office entrance to their vehicles. The doors will be kept open (weather permitting) to reduce surface contact and increase ventilation. There will be no in-person fellowship or discipleship time.

• Sanitizer will be located near all doors and throughout the sanctuary. All participants are expected to sanitize their hands upon entry and after any physical contact.

• It is possible that maximum safe seating capacity could be reached in the sanctuary depending upon the number of individuals and the size of family groups wishing to gather. If that capacity is reached, no additional persons will be permitted entry. We are exploring how remote viewing/participation in other spaces in the building could happen, but do not currently have that capability.

• Masks must be worn by those not leading the liturgy. Congregants are urged to bring their own masks; only a limited supply will be available at the building. Those who cannot or will not wear a mask are asked to worship at home via the livestream.

• There will be no congregational singing during the liturgy. There will be other music (vocal and instrumental) offered by the worship leaders.

• There will be no sharing of the peace with physical contact. There will be no celebration of Holy Communion.

• Offering plates will be placed near the sanctuary doors (both entrance and exit) to receive our tithes and gifts.

• Bible, hymnals and other printed materials will be removed from the pews.

• There will be no printed order of service provided. An electronic version will be available for download on the congregant’s own mobile device.

• Restrooms will be available for use; one person at a time will be permitted.

• A mandatory training session and scheduling will be held for ushers in order to effectively implement these procedures.

• All public areas and high touch objects/locations will be thoroughly cleaned and sanitized before and after all in-person activities.

• Beyond Sunday worship: small groups, ministry teams, committees, and studies are encouraged to continue meeting online. Groups may meet in the building, if necessary, but must abide by physical distancing and sanitization protocols. Meetings will be scheduled so that only one group is in the building at a time, and so that the meeting space may be cleaned/sanitized before and after.

Continued on page 5...
Continuation of Phase Two: Expanded Re-Opening

The AEI report and the ELCA’s own guidelines envision a gradual easing of distancing protocols so that more persons would be able to gather for worship, study, and other meetings. This would be permitted only after state health officials advise that 50 or more persons may gather in any one space at a time. When that happens (and we do not know a date for that), in-person activities will continue per the above guidelines with these additions/revisions:

- Whatever revised physical distancing protocols are established by the Ohio Department of Health will be used to determine the number of persons able to attend worship in person. Online worship will continue for those in high risk populations or those who are hesitant to gather in large groups.

- Holy Communion will be celebrated as part of the Sunday liturgy using guidelines from the ELCA (receiving the bread/wafer only in continuous fashion).

- Holy Baptism may be celebrated as part of the Sunday liturgy.

- Congregational singing, perhaps limited at first, will be reintroduced as part of the Sunday gathering.

- Apart from Sunday: office hours will return to 8:30 a.m.-4:30 p.m. Multiple meetings may be held in the building at the same time, but must be scheduled so that spaces may be cleaned/sanitized before and after.

Throughout this process, special emphasis will be given to the cleanliness of the building and our ability to maximize ventilation (including open doors as weather permits). It is proposed that our two furloughed sextons return to work on June 15. They will be provided a written protocol for all cleaning and sanitizing work, freeing the Maintenance Coordinator for the resumption of maintenance projects.

Choir section leaders will be retained through this process as they continue to assist in leading Sunday worship.

A Word about DLM…

Our “Dare to Love More” Food & Resources ministry will continue to operate under its current “deliveries only” protocol until such time as unrestricted in-person gatherings are permitted by the authorities. Our facility and the nature of DLM’s normal shopping activities do not (and really cannot) comply with mandated physical distancing and sanitizing protocols.
Our Mid-Week Study continues with a new look at ... 

Our time together will be spent around the Four Faith Practices of Caring Conversations, Devotion, Service, and Rituals/Traditions all based on the Revised Common Lectionary. We will also look at the text of the Hymn of the Week and close our time together in Prayer and a Blessing.

Please join us on Wednesday afternoons at 1:30 p.m. beginning June 3rd. Contact Rachel Núñez, Director of Formation for Zoom access and instructions at rnunez@holytrinityakron.org or call/text 330-634-6597.

A New Zoom Devotional Time on Friday Mornings!

Join us beginning Friday, June 5 for a new devotional time, 9-9:30 a.m. via Zoom Meeting. Contact Rachel Núñez, Director of Faith Formation for instructions rmunez@holytrinityakron.org or call/text 330-634-6597.

In the waters of baptism, we are claimed as children of God, as part of God’s family, which means we don’t live in this world separate from one another.

As COVID-19 is affecting us, as a global community, let’s adjust our time of physical separation and join together with tools of technology in some time of deepening our faith and listening to how God is calling us to love and serve our neighbor during this time. We will use the Faith5 model as we look at Scripture, Pray, and Bless one another. Let’s remember we are not a people of fear, but of HOPE!
Summer Sunday LIFT ... continued from page 6

- Nature Scavenger Hunt worksheets attached – explore the Metro Parks or the Cuyahoga Valley National Park trails
- Akron Zoo: if not open by June 28th, virtual animal experiences are offered on their Facebook Page; virtual tours of zoos around the country are offered on-line as well (San Diego Zoo, Cincinnati Zoo, etc.)
- Bearers of God’s Image Ideas: Write a note or card to a shut-in, help a neighbor with yard work, pay for someone’s coffee or meal without them knowing it, walk around your neighborhood and pick up garbage, etc.
- Family Sabbath: unplug from technology for a day, everyone takes a nap at the same time, play board games, put a puzzle together as a family, think of a “random act of kindness” to do as a family, go on a picnic, etc.

Summer Sunday LIFT - June Schedule

**Sunday, June 7th – God Creates Earth, Part 1 (Genesis 1: 1-19)**

- Today we will begin to look at the very first story in the Bible. We will focus on the first four days of the creation story in which God creates the heavens and the earth.
- Read Genesis 1: 1-19.
- Discussion Questions (it’s not mandatory to get to every question, focus on the conversations that arise from the questions).
- On the first day, God creates light and darkness or day and night. Wonder about how the world was before God separated the light from the dark. What do you think the world looked like?
- On the second day God creates water and sky and on the fourth day, God creates the sun, moon and stars. Share what you think is awesome about the sky. Share what you wonder about the sky.
- On the third day God creates land and oceans. Share what you think about how God created the land and oceans.
- Closing Prayer: Dear God, thank you for creating the earth, for creating the heavens, for creating day and night, for creating oceans and land. Help us to recognize all these as blessings from you. Amen.

**Sunday, June 14th – God Creates Earth, Part 2 (Genesis 1: 1-19)**

Family Field Trip: Take a Nature Scavenger Hike – explore a metro park, a trail in the Cuyahoga Valley National Park, or a walk around your neighborhood. Use the worksheet (on the next page) to be aware of God’s creation around you.

**Sunday, June 21st – God Creates Animals, Part 1 (Genesis 1: 20-25)**

- Today we will hear the part of the creation story where God creates animals.
- Read Genesis 1: 20-25.
- Discussion Questions (it’s not mandatory to get to every question, focus on the conversations that arise from the questions).
- Have you ever looked at an animal and thought, “God must have had a good sense of humor because look at how God created (animal name).” What animals do you think look funny? What makes you smile or laugh about that animal?
- Wonder about all the different ways animals live in the world. How do wild animals live? How do pets live?
- Wonder about the ways we can take care of all God’s animals.
- Closing Prayer: Dear God, thank you for creating animals and blessing us with all living creatures. Help us care for them with the same love you have for them. Amen.

**Sunday, June 28th – God Creates Animals, Part 2 (Genesis 1: 20-25)**
